## WHAT IS DRUPALCAMP?

DrupalCamp is an event that brings together the people who use, develop, design, and support the Drupal platform. More than just another trade show or industry conference, it's a shared experience that seeks to inspire and engage. DrupalCamp Scotland will feature sessions from some of the most influential people and brightest minds within the Scottish Drupal community and beyond, as well as countless opportunities for networking, informal conversations, and more. Whether you're new to the community, have been around a while, or are just curious to see what all the fuss is about, we have a place for you.

## DRUPAL COMMUNITY

The Drupal community is a diverse group, with a variety of interests. Past attendees ranged from business owners, academics, students, developers, designers and project managers.

## WHY SPONSOR A DRUPALCAMP?
